

Dear Friends,

Soon we will have another retreat with Vasant Swaha!

It will happen in Ibiraguera, Imbituba, on the coast of Santa Catarina state, a beautiful place in Brazil. It is located around 90 km south from Florianópolis.

Please, check the information bellow about dates and how to take part in the retreat.

Make the most of this opportunity to be with Swaha and celebrate life in its totality.

Mystic Rose

When: From 4th to 28th of March, 2010.

Arrival: 9 am on the 4th of March.

Mystic Rose is a process created by Osho, and it is a great opportunity for people to reconnect with their Real Self.

In this process, which lasts 21 days, we will go through many different layers of our being. Starting with one week of laughter, we let go of our old tensions and allow ourselves to be happy, spontaneous and natural. Then going through the valley of tears in one week of crying, exploring the depths of ourselves and our emotions. And in the last week we sit in silent meditation, what Osho called “The watcher on the hills”.

To be part of this process, you have to commit yourself to the whole period of 21 days. Apart from the Mystic Rose process, there will also be other groups and meditations, for those who won't have the chance to participate in this process.

The most important moment of the retreat is Satsang, the meeting of Vasant Swaha with his disciples and friends. Satsang, this meeting in love and truth, is a great opportunity of awakening your own nature.

We strongly recommend that all participants get involved in the program. The groups represent a very good support in the process of integration of the changes in our body, mind and soul. You are very welcome in the retreat; please use every opportunity to be total!

On the following days there will be no Satsang: 04 and 05; 11 and 12; 18, 19 and 24 of March.

Important: If you are coming for the first time to a retreat with Swaha, it is necessary that you attend at least two whole days, doing the complete program, before participating in Satsang. The days of arrival for the new comers are: 04/3 and 11/3.
